# Announcement

It is with great satisfaction that the members of the Marshall County (Iowa) Shorthorn Breeders Association announce their forthcoming 85th Auction Sale.

For a hundred years the rich pastures and fertile fields of central Iowa have produced prime beef, the most nourishing and substantial article of diet that has yet been available to mankind.

Partisans of various breeds of cattle may make extravagant claims for their favorites, but the truth is that no beef animal is superior to a good Shorthorn.

Prime beeves still are the highest-selling animals in the stock yards, and seem destined to remain in that position. The only known way to produce top-selling steers is through the use of good bulls, such as are selling in this sale.

We claim without fear of successful contradiction that the Marshall County Shorthorn Breeders Association is the oldest beef brand Association in America selling cattle over the auction block every year, in boom times or bad times, during war or peace.

Try to be here early. Things will move promptly.

**4-H CLUB PROSPECTS**—There are about 25 calves of club age promised for this sale. Be sure to see them.

**Calves will be sold following the breeding cattle—**

All are cordially invited to attend. Come and bring the family.

Intending purchasers will not be disappointed in the quality of the cattle presented in this auction. The bulls are mostly of serviceable age and are excellent individuals, well-grown and well-conditioned. Both Horned and Polled bulls are included. They carry well known, dependable bloodlines and many are suited to head purebred herds.

The females are not in high condition but ready to go back to the farms without back-set. Special attention is directed to the consignment of Paul Aldinger, Ackley, Iowa, which features the get and service of the \$5200 Louada Bondsman. The only time exhibited Bondsman was 2nd in class at the 1958 International Show at Chicago.

There will not be a show in connection with this sale.

MARY MOORE  
Iowa Shorthorn Lassy Queen  
and one of her favorites. She will  
be with us Sale Day.

# Terms and Conditions of Sale

---

**Location**—The sale will be held in the comfortable Marshalltown sales barn located on South 18th Avenue. This is just south of Main street, 18 blocks east of the Court House. It will be held on Monday, Nov. 16, 1959, at 12:45 o'clock. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads. Marshalltown is 290 miles west of Chicago, 197 east of Omaha and 275 north-east of Kansas City.

**Terms**—Cash, settlement to be made with clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk as soon as bid off, but will be cared for and loaded on cars or trucks in compliance with instructions from purchaser. Care will be taken to avoid accidents but will not be responsible should any occur.

**Guarantee**—All cattle have passed test for both Bangs and Tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and if, after three months trial by seller he proves infertile, purchase price will be refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred, are sold open and at buyer's risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

Sale Manager assumes no responsibility in case of settlement.

**Pedigree Certificate**—A certificate of Registry and Transfer will be furnished with each lot sold, and an application of Registry will be furnished for each calf sold at foot and each unborn calf sold in dam.

**Lunch**—At Sale Barn.

**Auctioneer**—C. G. Mason.

**Fieldmen**—J. E. Halsey of Wallace's Farmer; Kenneth Fulk, National Beef Producers Secretary.

**SALE UNDER COVER — RAIN OR SHINE**

**MARSHALL COUNTY SHORTHORN BREEDERS ASSOCIATION**

Geo. H. Lewis, Pres.

M. W. Stover, Secy-Treas.

Ross A. Long, Vice Pres.

Roan Lady 97th  
Red, The Wright Farms

**Roan Lady 154th** is consigned to this sale as a special attraction. She was sired by the \$3,000 Imp. Cruggleton Albert that did our herd so much good and is safe in calf since Jan. 11, 1959 to the service of the widely known Louada Bondsman that we purchased in the 1958 Louada Farm Sale at \$5200. Later he stood second in class at the Chicago International Show where he defeated bulls that later won grand championships at important exhibitions. He has not been shown since Chicago, but has seen heavy service in our large herd. This mating should produce an extremely valuable progeny.

**Souvenir's Research 3d**—Here is probably the best herd bull prospect we have offered for sale in several years. Thick, meaty, well-balanced, with two good ends and legs to carry him. We have used a number of bulls from this family, the Elvira Rose, in the past 15 years, in our own herd, and must give them a lot of credit for the uniformity, type, and fleshiness of our breeding herd. Here is a double-bred one, with some new blood through his sire. He should sire a great lot of calves.

**Lo Rex Starry Archer 6th (twin)**—A very blocky bull with full quarters, wide-breasted girth, a feeder head, and full loin. A half-brother to the 1957 Fall Reserve Champion bull and 1958 Fall Champion bull at Hawkeye Downs.

Intending buyers will search a long time to find more desirable specimens of Polled Shorthorns than the pair of bulls that we are consigning to this auction. They are smooth, deep, wide-ribbed and full in the crops and quarters, and stand on heavy-boned legs, correctly placed. In short, they are genuine beef cattle, ranking well with the tops of the breed. Don't fail to look them over. Their sire is a grandson of Imp. Mill-hills Starry Archer.
